25X1   SDI

25X1   ● [   ] and Rich revised the report Intelligence Support to the SDI based on the comments of the CIPC meeting of 8 December 1986 and on
25X1   obervations made by some interested nonmembers. [   ] clarified the wording in the Executive Summary and in the main body of the report that supports the first two recommendations having to do with preparations for a new estimate. Rich clarified the wording of the conclusion dealing with the options available to the Community vis-a-vis SDIO in dealing with collection and analysis projects of mutual interest. Rich also made scattered changes throughout the report specifying more precisely what has and has not been done by the Community in support of the SDI. The revised version of the report and a summary of the changes were submitted last week. [   ] is in the process of clearing this revision with the CIA   25X1 representative, [   ] at the 8 December CIPC meeting, in order   25X1 to ensure that this report will be acceptable to the NIC and NFIC.
